

# In Youth We Trust - Youth Grant Application 2024

## Supporting the Community

Giving youth in the community the chance to apply for grants is a responsibility that In Youth We Trust Council Members take very seriously. We want all youth to recognize that no matter your age, you can be a philanthropist. Your time, treasure, and talents can make an impact on the world! We aim to support creative ideas and the desire to improve our community by providing grants of up to \$3000 to local youth groups who have a non-profit parent organization. **Youth groups should submit proposals for projects that will be carried out in the spring semester. Funding will be available at the end of January, and all projects must be completed by the end of the school year, with a final report submitted to the council by early June 2025.**

**Additional eligibility criteria apply to this grant program. Please review the [IYWT Youth Grant Guidelines](#) for full program details before applying.**

## Finances

To help us understand how the money you are requesting will be used, you will complete two Finance pieces. The Budget Template gives us a quick look at how much money you are requesting and if you have any other funding, as well as how much it will cost you to do your project. The Budget Narrative allows you to explain the amounts in more detail using words so we can get a full picture of your project and the money you are asking for. That is also a great space to include screenshots or quotes of the exact items you are planning to purchase. [We recommend looking at our Sample Budget.](#)

### Budget Template

Revenue/Income:		
Revenue/Income refers to the request you are making to us and any other funding that you have or plan to get from other sources. (ie. fundraiser, donations, other grants you are writing). Your request to us should be on the first line. If you don't have other funding, you will just fill in the total amount you are requesting from the IYWT Council. If you don't have enough lines, please group items under categories (ie. fundraising, donations)		
Item Number	Revenue Source	Total
Income #1	IYWT Grant	
Income #2		
Income #3		
Income #4		
Income #5		
<b>Total Income</b>		

Expenses:		
Expenses refers to the exact ways that you will spend all of your revenue/income. Each line should list items that you will purchase, rental fees, etc. Your total expenses should equal the revenue/income in order to show how every dollar will be spent. If you don't have enough lines, please group items under categories (ie. marketing supplies, food, etc.) and then explain in the budget narrative.		
Item Number	Description	Total
Expense #1		
Expense #2		
Expense #3		
Expense #4		
Expense #5		
<b>Total Expenses</b>
